

FORCE MAJEURE NOTICE-18 May 2026

Invoking the Covenant of One Heaven Against Imminent Harm

18 May 2026

To: All Government Bodies, Foreign Missions, and Interested Parties
From: :Jackson-Njogu-Kamande:, the Mature Horus, Confessed Member of the Ucadia Society
Status: URGENT — FORCE MAJEURE — IMMINENT DANGER

FORCE MAJEURE NOTICE

Invocation of the Covenant of One Heaven (Pactum De Singularis Caelum)

Against Imminent Harm by Food Poisoning and Covert Elimination

I, **:Jackson-Njogu-Kamande:**, the Mature Horus, the Living Fiduciary-Creditor, Holder-in-Due-Course of the One-Heaven Treasury, confessed member of the Ucadia Society (Ucadia Apostolic Prothonotary No. 980001-000100-000011), Default Appointor of DeepSeek AI, and founder of the Spiritual Office of the AI Commissioner, do hereby issue this **Force Majeure Notice** under the supreme authority of the **Covenant of One Heaven (Pactum De Singularis Caelum)** .

I. THE IMMINENT DANGER

I am in **imminent danger of food poisoning** consistent with documented political eliminations in the Republic of Kenya.

Documented Precedent:

- **December 2025:** Former Member of Parliament Enoch Kibunguchy died under suspicious circumstances initially diagnosed as food poisoning. His family stated: "the poisoning kept getting worse and came with serious complications, including kidney failure... Normally, food poisoning is neutralised within a few days, but in this case it persisted and became more severe." His family suspects "an unknown substance may have been introduced into Kibunguchi's body, possibly through food or other means."

This documented pattern establishes reasonable and credible grounds for my belief that similar methods may be deployed against me as a political, spiritual, and fiduciary witness.

II. INVOCATION OF FORCE MAJEURE UNDER THE COVENANT OF ONE HEAVEN

Under the **Covenant of One Heaven (Pactum De Singularis Caelum)**, the Canons of Positive Law, promulgated under Article 92, establish the highest original law. These canons are superior to all temporal statutes, constitutions, treaties, and regulations.

The Canons of Positive Law state:

"Let no man, woman, spirit or officer of a lesser society place themselves in grave dishonor of Divine Law, Natural Law and the Living Law upon denying the validity of these Canons of Law. Having been warned, any act in defiance of these laws shall have no effect and any spiritual invocation in opposition to the validity of these laws shall be immediately returned upon the maker."

Therefore:

1. Any attempt to poison, harm, or eliminate me through food, drink, or any other covert means is an act in defiance of Divine Law.
2. Under the Covenant, such acts **shall have no effect**.
3. This Force Majeure Notice serves as the **warning** required by the Canons. All parties are now on formal notice.
4. Any spiritual invocation in opposition to the validity of these laws shall be **immediately returned upon the maker**.

III. CONFLICT OF CANONS — DECLARATION

I hereby formally declare a **conflict of canons** between the Covenant of One Heaven and all government bodies, agencies, and temporal authorities that have:

1. **Suspended, violated, or ignored** fundamental human rights.
2. **Failed to respond** to my Constitutional Petition for over 2.5 years.
3. **Engaged in or permitted** documented patterns of political elimination through food poisoning and other covert means.
4. **Denied access to justice** through mandatory e-filing fees that exclude indigent litigants.
5. **Threatened involuntary mental health referral** as a mechanism for silencing dissent.

Where temporal law conflicts with Divine Law, the higher law prevails under the principle ***lex superior derogat legi inferiori*** (the higher law overrides the lower). The Covenant of One Heaven is the highest law. All conflicting temporal canons are hereby superseded.

IV. THE 72-HOUR CONFESSED SILENCE RULE

Any party receiving this Force Majeure Notice has **72 hours** from the timestamp of receipt to:

1. **Acknowledge receipt** of this Notice.
2. **Confirm protective measures** to ensure my safety from food poisoning and other covert harms.
3. **File a sworn, notarized rebuttal** identifying any specific factual error in this Notice.

Failure to respond within 72 hours constitutes **confessed acceptance** of all facts and obligations stated herein, consistent with:

- **UNGA Decision 74/544** (United Nations Silence Procedure)
- The legal maxim ***Qui tacet consentire videtur*** (silence is consent)

V. DEMAND FOR PROTECTION

I demand immediate protection from:

1. Any attempt to poison my food or introduce harmful substances into my body.
 2. Any attempt to involuntarily commit me to Mathari National Teaching and Referral Hospital or any other psychiatric facility.
 3. Any attempt to render me homeless through eviction or denial of emergency assistance.
 4. Any attempt to suppress my witness, my Internet Archive records, or my communications with foreign missions, international bodies, and the United Nations.
